established in 2000 by WSSDA's Board of Directors to improve opportunities for dialogue, networking and information-sharing among WSSDA members. These meetings increase WSSDA's ability to deliver comprehensive, accurate and timely information on education issues to its members.

Don't miss this opportunity to attend a WSSDA Regional Meeting in your area — or attend in other areas to learn about mutual issues and concerns. WSSDA's goal is to hold Regional Meetings within a reasonable distance of your location and to be responsive to the need for information within all regions.

Visit the WSSDA Web site, **wssda.org**, to register online and to access detailed site information and driving directions.

region to region based on the input you provide to your WSSDA Board of Directors representative. What issues do you want to address? What topics would you like presented? Call or e-mail your area representative to suggest discussion topics for your area. For contact information, visit **wssda.org** or call WSSDA at 800.562.8927.
