

Full Circle Driving Classes:

Instructor: Full Circle Driving School, Certified Driver

Equip your new driver with the real skills they need on the road. We are a state licensed and DOL approved driver's education class. We go the extra mile teaching drivers how to apply safety and responsibility behind the wheel; all the while making it fun and stress free. You don't have to worry about driving them far, it is held at the high school! Must be prepared to get your driver, a driver's permit the week of class. The paper needed for that will be handed out during the parent meeting. **For Ages 15 & up.**
