Instructors: Northwest Children's Art

For grades K-5.

Northwest Children's Art is an after school program that is an introduction to basic art concepts specifically related to drawing. This K-5th grade program will allow your child to strengthen their drawing abilities, build relationships with their peers, and have FUN all at the same time! Your child will be working with a variety of art supplies including oil pastel, chalk pastel, markers, watercolors and other various mediums.
