## Graduate Data

The chart below provides information about the graduates who leave high school bound for additional schooling, work, or the military. La Center High School generally has more than 60% of its graduates pursue some form of post high school training, including 4 year college, 2 year college or vocational/technical school. One of the goals is to maintain a program which continues to have a relatively low drop out rate.

	Class of 2007	Class of 2006	Class of 2005
Total Graduates	89	102	99
College Bound (4yr)	27	27	25
College Bound (2 yr)	39	52	26

## 2006-2007 Accomplishments

First fall open house and BBQ with 300+ attendees.

Completed student lounge area with student work display cases built into the counters.

Completed implementation of Navigation 101 curriculum and scheduled students into their advisory groups.

Continued to improve school webpage and teacher lesson plan pages.

Conducted successful safety lockdown and evacuation drill with local police and fire in conjunction with table top exercise and review of building safety plan.

Increased number of "parent link" publications and distributed hard copies as well as continued those postings on our webpage.

The band and choir attended and won numerous awards at the Band and Choir Festival in Seattle last spring also at the Best in the NW festival.

Created on-line classes in both Health and Washington State History. Developed Senior Seminar for our seniors to more easily meet the new state graduation requirements.

Re-aligned and expanded our elective offerings in our Social Studies Dept.

Conducted an all school BBQ and 8th grade parent night to smooth transitions for our incoming freshman.

Expanded our vocational class offerings to record levels. This included an additional two sections in our new metals shop.

Boys and Girls Cross Country, Football, Girls and Boys Soccer, Boys and Girls Wrestling, Boys Golf, Softball, Boys and Girls Track and Equestrian all made the state playoffs or championship tournaments.

35 of our students were recognized last spring in the Clark County Evening of Excellence for excellence in numerous academic and social categories.

## Assessment Data

Included in this data are grade point averages by class for the past few years, as well as the school's average test results from required state testing and college entrance exams (SAT). As with any testing, the average score is affected by the number of students taking the test. The relatively small number of students involved in the tests may cause averages to fluctuate substantially from year to year.

## Running Start

Running Start is a state-wide program where juniors and seniors can attend a local community college and receive high school and college credit at the same time. Through the Running Start program, many students over the last 4 years have earned an AA degree from Clark College or Lower Columbia College while meeting the requirements for high school graduation. Other students graduated with only a few credits yet to be earned toward their two-year college degree.

- ❖ Implement Student Led Conferences.

### **Goal # 2 Improve student's relevant life skills for post high school success:**

- ❖ Implement senior seminar course to deliver adult life skills curriculum, 5<sup>th</sup> year plan and culminating project preparation.

### **Goal # 3 Improve student technology use and competency:**

- ❖ Revise freshman focus class to include technological skills.
- ❖ Increase technology in-service opportunities for staff.

## Our School

La Center High School is the 9 -12 high school serving the students and parents of the La Center School District. The high school was originally completed in 1993 and has undergone considerable remodeling in the high school office and career center along with the construction of a new two story wing which has a new Library and eleven new classrooms. With the average enrollment of 465 students during the 2006-2007 school year, La Center High School is in the "A" school classification, a member of the SWW A League and WIAA District four.

A wide variety of curricular and extracurricular activities are available to the students of La Center High School. Included in these are, Concert Band, Choral Ensemble, Jazz Band and Jazz Choir, Science Club, Future Business Leaders of America (FBLA), Running Start, Skills Center, Knowledge Bowl, Honor Society, an exceptional Drama and Art program, as well as a highly successful athletic program.

La Center High School provides students opportunity to use technology in a number of lab settings. There are in excess of 180 computers in the high school. The business lab has IBM compatible computers running the software Microsoft Office.

## How you can help

Parents can become involved in La Center High School and their children's education in many ways. They can become generally involved with the organization called P.I.E. (Parents Involved in Education.) These parents volunteer their time to help during lunch hours, and in the Library. If they wish to become more specifically involved with their children's education, they can join such groups as the Booster Club, LCEF, Music Association, Vocational Advisory, and Senior Parents. Parents involved in these support groups support specific activities and provide fundraising assistance. Participation of parents is vitally important to maintain a quality school. If you would like to get involved in any of these activities, please contact the High School office at 263-1700.
