Minutes taken by: Laurie Kansanback
Administrators: Dave Holmes and Carol Patton
Guests: Many Community Members

The Community Meeting was held from 7:00 PM until 8:00 PM with the purpose of addressing questions/concerns regarding the second running of the Capital Fund Levy request. A number of community members were present and asked some good questions such as:

- What about the new elementary school that was on a bond a few years back? What happened to that?
- What percent of the listed projects will this levy fund?
- How much does it cost to run an election?
- Are there any other levies people are still paying for?
- What about the cost of additional maintenance?
- What if it takes less years than six to do everything – what happens to the money?
- Do we have to do the list we have given or can we change our minds?

In addition, Mr. Colf got up and spoke about his very recent experiences with doing athletic facilities in an organic way and his belief that this can happen in the way it has been laid out.

The workshop convened at 8:00 pm.

1. <u>HS Field Trip to Europe in 2014:</u> The Board has questions about insurance. This will be on the next regularly scheduled meeting agenda for official Board action.
2. <u>Discussion on B/SR-5:</u> After some discussion on this it was the consensus of the Board that we should look at what WSSDA does and then re-look at this over time.

Dr. Mansell asked for an Executive Session to discuss a personnel matter. The Board agreed at 8:35 PM.

The meeting reconvened at 8:44 pm.

As this was a workshop of the board, no action was taken.

Meeting adjourned at 8:45 pm.
