

## **Navigation 101 and Student Led Conference Reflection:**

Please answer the following questions thoughtfully.

1. What things did you do well in your conference?
2. What things needed improvement?
3. What could you do differently next year to improve?
4. What did your parents think of your conference?
5. What would you like to do differently in Navigation next year? (Seniors - What have you learned/accomplished in Navigation?)
