Safety Drills

Relationships

Communication

Community of Care

Safety Drills

Some typical drills we conduct:

1. Fire Alarm Drills - Evacuate the building.
2. Shelter In Place Drills
3. Lock Down Drills
4. Earthquake Drills
 - Updated Cameras, strobe lights, door locks from inside classrooms,

Relationships

Climate & Culture

Relationships:

- Trusting, Open, Caring, Nurturing

Say Something:

- Encourage students to tell an adult:
Teacher, Counselor, Principal,
Paras.

Let the building Principals know
concerns.

Communication

Effective Forms of Communication:

- Email, Phone, Skyward
- Contact Building Principals with concerns.
- Two way communication
- Robocall

Ineffective Communication

- Social Media
- What do you do if you see something scary on social media?
- Screenshot please...

Community of Care

Counselors

- School Counselors in Every Building
- Drug/Alcohol Counselor
- Intervention/Prevention Counselor

La Center Police Department

- Strong working relationship with LCPD

Active Shooter Response Training

Run... Hide... Fight

- LCSD Protocol for Active Shooter Response

Deputy Jason Granneman

- Trainer for Run-Hide-Fight
- Presenting a parent night
- Staff Training
- Student Assembly
- Grade Level Follow up

Takeaways -

Reflection on prior minor incidents

- Kids typically report and talk with staff

We take this seriously

- Conduct thorough investigations
- Use ESD Threat Assessments to link families to outside resources

To keep our kids safe lets keep the conversation going.

Questions/Discussion

What do you think we could do better?

What issues do you see in the school or community that we need to improve upon?
