

## MEMORANDUM

**DATE:** December 10, 2015  
**TO:** Board of Directors  
**FROM:** Amy Neiman, Director of Teaching & Learning  
**SUBJECT:** Supplemental Materials Adoption

Below is supplemental material that have been reviewed by all members of the Instructional Materials Committee (IMC). Feedback has been favorable. This story is based on a real murder mystery that occurred in the Lake Crescent area in the Olympic Peninsula. I respectfully recommend the school board adopt the below supplemental material:

11<sup>th</sup> / 12<sup>th</sup> grade – Forensics ( an elective science class)
