****PLEASE NOTE LOCATION CHANGE****

1. Update on Fieldhouse with Architect Rob Heaney: Mr. Heaney shared the plans he has drawn up for the proposed fieldhouse on the high school campus. Everyone was excited by the plans and suggestions were made as to things to include.
2. Review of School Handbooks: The Board took the time to review all three student handbooks and how they each addressed inappropriate language at school. After their review they felt a change to Board Policy EL-8 would be in order and therefore instructed the superintendent to bring EL-8 back at the March reading for a First Reading with the suggested changes.
3. Update on Portable Placement Options: Dr. Mansell went through the possible placements for the Board and indicated he would have more information at their next meeting.
4. Executive Session: The Board adjourned to executive session at 8:10 pm to discuss a personnel matter. They Board reconvened the regular workshop at 8:30 pm.

As this was a workshop of the Board, no action was taken.
