We Are Silent - Pledge

Around the world, there are many people whose voices are not heard. They are girls who are defiled an education because of
gender inequality, school fees or the need to stay home and care for younger siblings. They are the child laborers or the children
growing up in poverty. They are the students who are bullied at your school. Every one of them has a voice that needs to be
heard. Take a silent stand so they can speak out.
I,, have pledged to be silent for,
Please support my Free the Children, www.freethechildren.com, cause by pledging money for each hour I am silent or making a
