Max BuilderSM

This dental plan includes a valuable feature that allows qualifying plan participants to carryover part of their unused annual maximum. A participant earns dental rewards by submitting at least one claim for dental expenses incurred during the benefit year, while staying at or under the threshold amount for benefits received for that year. Employees and their covered dependents may accumulate rewards up to the stated maximum carryover amount, and then use those rewards for any covered dental procedures subject to applicable coinsurance and plan provisions. If a plan participant doesn't submit a dental claim during a benefit year, all accumulated rewards are lost. But he or she can begin earning rewards again the very next year.

Benefit Threshold	\$500	Dental benefits received for the year cannot exceed this amount
Annual Carryover Amount	\$250	Max Builder amount is added to the following year's maximum
Maximum Carryover	\$1,000	Maximum possible accumulation for Max Builder

Dental Network Information

Employees and dependents have access to an extensive nationwide network of member dentists. The cost-saving benefits of visiting a network member dentist are automatically available to all employees and dependents who are covered by any of The Standard's dental plans and who live in areas where the nationwide network is available. To find member dentists in your area, visit: <http://www.standard.com/dental> and click on "Find a Dentist." California Residents: When prompted to select your network, choose the network found on your ID Card.

Usual and Customary (U&C)

90th U&C means 9 out of 10 dentists in a specific ZIP Code area charge at or below the plan allowance for a procedure

Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

Late Entrant Provision

We strongly encourage you to sign up for coverage when you are initially eligible. If you choose not to sign up during this initial enrollment period, you will become a late entrant. Late entrants will be eligible for only exams, cleanings, and fluoride applications for the first 12 months they are covered.

This form is a benefit highlight, not a certificate of insurance. This policy has exclusions, limitations, reductions of benefits, and terms under which the policy may be continued in force or terminated. Please contact The Standard [or your employer] for additional information, including costs and complete details of coverage.
