## BRICKZONEKids-Lego Club:

*BrickZoneKids, Instructor*

### For Grades 1-5

Around the world we go! Come ready to learn & build famous structures from around the world! We will travel to different countries & explore the importance of an engineering marvel in each country. Travel to France, China, England & more! Each student will then build their own version of that famous structure & share with the class their masterpiece. At the end each student receives a LEGO Mini-Figure to take home.

*Bring a peanut-free snack & water bottle.*

**#8682-11 Mondays, Sept. 24-Oct. 29, 2018 (no class 10/15)  
From 3-4PM held in the K-8 Library**

**Fee: \$70** *(Minimum 6 & maximum of 16 students)*

explore. build. learn.
