Balance, Strength, & Challenges!-Lego Club:

BrickZoneKids, Instructor

For Grades 1-5

Come ready to defeat our building challenges & build sturdy structures that can pass our weight test using oranges, grapefruits, & more! Can you balance an upside down pyramid or make a balance machine? Students can work in pairs or on their own to create the structures & then have a chance to share at the end of each class & enjoy our free-build time. Each child will receive a LEGO mini-figure on the last day of the session. At the end each student receives a LEGO Mini-Figure to take home.

Bring a peanut-free snack & water bottle.

explore. build. learn.

**#8683-1 Mondays, April 15-May 20, 2019 (no class 5/6)
From 3-4:15PM held in the K-8 Library**

Fee: \$70 *(Minimum 6 & maximum of 15 students. Students must be picked up & signed out by 4:15PM or a late fee will be charged by the instructor.)*
