PART 1.0 – CALL TO ORDER

Mr. Jones called the regular meeting to order with the flag salute at 7:00 p.m.

Corrections and Changes:
None.

Audience and Board Communication
Say something positive:
Mrs. Chord said that the Tech Café written about in the Technology Report to the board is a great idea to help staff learn about technology. Mrs. Yaw recognized the opportunities that give students ways to express themselves. The elementary students in the video report to the board did an excellent job. She is also happy to see the focus on kindness for the month of February. Mr. Lindberg was impressed with the high school athletics teams work in the community. The involvement brings kids into real life and it is great for all of us. Mr. Jones commented that the Home School Academy is doing great. Just a few years ago, it did not seem to be a good use of resources, but now with 30FTE, it is impressive and he offered kudos to everyone involved with that program. Mr. Holmes noted the new middle school resolution to be covered later in the meeting will approve 6 additional classrooms. An additional note is that the silt fencing will soon be going up in the field marking the beginning phase of construction. Kathy Bounds thanked Mr. Bentson and Mrs. Patton for their help in getting Quickbooks programs ready for the high school accounting students. This will be a great skill for those students to acquire to be job-ready after high school. Mr. Westerberg commented that the phone system roll out
was awesome. He also commented that the middle school expanded the art show this year and more pieces than ever on display.

Public Input on Non Agenda Items:

PART 3.0 – LINKAGE

3.1 Elementary School Showcase- The elementary school showcase consisted of updates from the Title I Schoolwide Program, Student Clubs and Student Success. The Title I program is in its second year. Staff surveys have shown positive feedback. The biggest challenge in this program is para time. The Student Success Specialist updated the board on this new position that is focused on providing social and emotional learning to K-3 students. The biggest change noted from this program is that student discipline has decreased significantly. Three elementary students gave the board updates regarding student clubs that are available to students during their recess time. The clubs are designed to be student run as much as possible. The clubs highlighted were Bobcat Bike Club, Crossing Guard Team, Flight Club Team, Historians and Kindness Club.

PART 4.0 – ASSURANCE OF ORGANIZATIONAL PERFORMANCE (Monitoring Reports)

Motion 19/20-26 made by Mrs. Yaw, seconded by Mr. Lindberg to approve EL-1 as written:

4.1 EL-1 Board Relations

Motion Carried

PART 5.0 – WRITTEN POLICY

Motion 19/20-27 made by Mrs. Yaw, seconded by Mr. Lindberg to approve the first reading of Policy 2410 and Procedure 2410P with the caveat that duplicate sections 6 and 8 regarding Students with an IEP are combined and clarified.

5.1 First reading of Policy 2410 and Procedure 2410P High School Graduation Requirements

Motion Carried

PART 6.0 – OTHER ITEMS NEEDING BOARD ACTION/DISCUSSION

6.1 District Newsletter- Peter Rosenkranz – The new district newsletter is comprised of the reports that are submitted to the board each month. This is always useful information that should be shared with staff and parents. The biggest challenge now is getting the information to community members that do not have students in the district. Mr. Rosenkranz will work to find ways to distribute the newsletter to the community. Mrs. Chord noted that things that the school share out on Skyward are
almost always shared on the La Center Families Facebook page, so that is one way that the information will get to the community. Mr. Jones commented that he would still like to see an electronic reader board to get more information out in a timely manner. Mr. Holmes commented that a phone app will soon be available for download that will give timely updates about things going on in the district to app subscribers.

6.2 New Middle School Value Engineering Review – Mr. Homes gave an overview of the possible changes and noted that the district has identified $400,000 in possible savings in the building of the new middle school. Another $125,000 savings is coming from the permits and fees cost. The district has also been collecting more impact fees thanks to new building in the area which will help to cover costs to refurbish the current K-8 campus and provide the 6 additional classrooms at the new middle school.

Motion 19/20-28 made by Mrs. Chord seconded by Mr. Lindberg to approve Resolution 2019/2020-3 as follows:

6.3 Resolution 2019-2020-3 Approving Alternative #1-- Additional Classrooms for New Middle School

Motion Carried

6.4 Future Agenda Items
Mr. Holmes would like to have a legislative discussion at the March workshop to go over new bills that will affect schools.
