PART 1.0 – CALL TO ORDER

Mr. Jones called the regular meeting to order with the flag salute at 7:00 p.m.

Corrections and Changes:
Mr. Muffett asked that 6.1 be moved directly after the consent agenda for those that were viewing just for that portion. The board agreed.

Audience and Board Communication
Say something positive:
Mr. Jones commented that the calls from teachers to his family for his daughter have been very appreciated. It helps a lot to hear from the teacher, especially for the kids who need that communication. He thanked the teachers for their efforts. Mr. Muffet commented that he appreciates that all of his family is home during this time and he is enjoying it. Mr. Lindberg thanked the staff for reaching out to the students with activities. It gives the kids something to do to keep their minds working. Mrs. Chord appreciates the fact that the district is in communication with the board so that they can answer questions that come up. She also commented on the teachers who were retiring at the end of the year and wanted to recognize them for their dedication. It will be sad to see them leave. Mrs. Yaw agreed with Mrs. Chord on the retiring teachers. She said they taught her kids and they made a big impression on them. She also appreciates Mr. Holmes for keeping the board up to date on the issues. Mr. Holmes commented that everyone is struggling with how we can best serve students and there has been an amazing effort. He is impressed with the teachers union for their ability to adapt and be responsive. They are stepping up and will be transitioning from enrichment activities to instruction online soon. Mr. Soske said his family is appreciative of the retiring teachers as well. He also thanked
the district for helping LCU with information as they are working on trying to extend their grant. Mr. Rosenkranz echoed the comments about the LCEA leadership and also recognized Kirby Phillips and Rob Williamson for stepping up during this time. Mr. Bentson recognized Joel Shaw. He appreciates his willingness to come in even though he is at high risk. He is an awesome employee and is making the Chromebooks loaner program happen. Mr. Jones then commented on the Woodland School District and that he would like to thank them for what they are doing for truck drivers at their facility. Truck drivers really need support at this time.

6.2 Possible New Portable

The district may need to order a new portable but with the current state of the economy, the district is unsure if they should proceed with ordering one. There would be a cost of approximately $35,000 with potential for savings if one of the classrooms is used as an SLC classroom instead of sending those students to other schools. Depending upon the number of new students, both classrooms could be needed to house regular students. Mr. Holmes asked the board to think about the possibility of adding a new portable and would like to have direction at the next board meeting.
