

La Center Elementary
Student Information for Classroom Placement
for the 2020-2021 School Year

Our goal is to provide a successful learning experience for your child. Information provided from this form, as well as factors listed below are considered when placing students in classrooms.

Balanced classrooms allow for successful learning experiences for all students, which includes:

- | | |
|-----------------------------|----------------------------------|
| *social/emotional factors | *ability level of students |
| *learning style of students | *instructional style of teachers |
| *boy/girl ratio | *students' significant needs |

Parent input into the class placement process will be taken through May 15, 2020. Please complete the following information to assist us in making the most appropriate class placement. Do not request a particular teacher by name. This limits our options for setting up classes and may result in unbalanced classrooms. We will take all information given into consideration.

1. Describe specific academic needs of your child.

2. Describe any social/emotional needs or personality traits that may affect your child's placement.

3. Indicate any other needs your child may have that you would like us to consider.

4. Thoughts or comments:

Student Name _____ Current grade _____ Teacher _____

Parent Name _____ Phone # _____

**Please return this form to the elementary office via mail, drop box or email to
Melissa.lile@lacenterschools.org by May 15, 2020.**
