Audience and Board Communication
Say something positive:
Mr. Muffett drove by the new middle school site and noted there is a lot of activity which is exciting to see. Mr. Lindberg also said the new MS site is looking good. He thanked Mr. Holmes for keeping things moving. He also noted that the tech department’s push for 1:1 devices for students is good, Children being able to use these devices goes a long way for their school work abilities. Mrs. Chord saw some pictures of teachers visiting student’s homes. These will be wonderful memories for those children who miss their teachers. Mrs. Yaw recognized Scott Lincoln’s resignation after 13 years in the district. She thanked him for his service for being a great principal, he will be missed. Mr. Jones also congratulated Mr. Lincoln on his new position and also noted that he appreciates all the great work that he has done. He is also amazed with district staff that have been able to work in what are not the best circumstances in this time of the pandemic. He also wanted to be sure to note that the district funds that are provided for by way of taxpayers, are well guarded. He thanked Nancy Carner for the work on the recent audit and for the work that she is doing on the budget. Mr. Holmes seconded the appreciation for staff that have gone above and beyond. He specifically mentioned the work of
Stephanie Holmes who has provided instruction to staff on Google Classroom as well as maintaining her teaching responsibilities. Mr. Rosenkranz recognized the shift to online learning was smooth. Teachers stepped up to be trained and provide instruction online. It was amazing to see.

6.5 2020-2021 Budget – There will be a budget discussion at the June 9 Board workshop. There is a pretty solid budget at this point. This will give the board a chance to review the budget and weigh in on any items before the budget hearing that will be scheduled to be held directly before the June 23 Board Meeting.

6.6 Healthy Youth Survey – The Healthy Youth Survey will be done in the same manner as in 2018 with none of the extra questions being asked of students. An audience member commented that there is a lot of depression in the LGBTQ community, so the district may want to know what these kids are thinking. Mr. Jones commented that the extra questions are inappropriate as he has reviewed them in the past and the district should not be asking those questions.

6.7 Future Agenda Item- Mr. Muffett would like an update from Keith Bloom at the June 9 workshop on the new MS. Also added that he would prefer the board workshop to be in person since it will include a budget discussion. Mr. Lindberg also thinks the workshop should be in person because of the important budget discussion. Mrs. Chord wanted to be sure that the community is informed about graduation happenings. Mrs. Yaw would like an update on the online learning process. How it went and is there some way to incorporate it into converting snow days into online learning days so those days are not lost and need to be made up at the end of the year. It would be good to be proactive and not lose what has been learned with the pandemic and online learning.
