Mr. Jones opened the budget hearing at 7:00 PM. Mr. Holmes gave an overview of the 20/21 school year budget. The budget is based on a 1600 student FTE enrollment and 212 SPED student enrollment. The district would have to be at a 1554 FTE enrollment before it would go into the red for the school year. Personnel costs are 92% of the budget as employment costs have risen over the last 5 years, along with a rise in certificated staff to account for K-3 class sizes. The ending fund balance for the prior school year is $2.654 million. Mr. Jones commented that that is only 37 days worth to run the district, he would like to see at least a 60 day cushion so that the district does not have to worry if the state does not provide full funding for the month. This month the state shorted the district $700,000 in levy equalization funds as they did not have the funds to provide districts. The funds will be received in July instead, but this is an example of why the ending fund balance is so important. The state has hinted that levy equalization funding could go away completely, but this decision has not been made yet.

The budget is bare bones, there are no “wants,” only necessary purchases. The 4-year projections are also conservative as they are estimates only as the future is very unpredictable at this time. Mr. Lindberg asked if the state looks at the 4-year projection for funding purposes? Mr. Holmes answered that no, there is no concern that the state will lower funding as the amount for basic education is already set by the state. Mrs. Yaw and Mrs. Chord both agreed that the budget looks good. Mrs. Chord also commented that she would like to see an increase in the ending fund balance as well.

Mr. Jones thanked Mr. Holmes and Nancy Carner for the budget presentation. The budget hearing was closed at 7:45 PM as there were no more questions or comments.

Audience and Board Communication
Say something positive:
Mr. Jones commented that he is very pleased with the work that Nancy Carner has done on the 98-page budget. She has done a long and the district is lucky to have her. He hopes she stays in the position for a long time. Mrs. Chord said that the senior parade was awesome, it may be the start of something new for the future. The K-8 parade was great as well, kudos to the organizers of these events. She also acknowledged Mr. Rosenkranz for his work on the Covid reopening team. This was a tough year and she hopes that next year is able to start normally. Mrs. Yaw echoed the comments of Mrs. Chord and added that the district did the best we could based on the circumstances. She doesn’t think we are through with it yet. The work has prepared us for emergencies in the future and she thinks the year ended on a good note. Mr. Lindberg thanked Mr. Holmes for surveying parents about distance learning and the parents for responding to the survey. It is nice to see the feedback from parents. Mr. Holmes thanked the staff for stepping up to meet student needs. This is a new era of education. Mr. Rosencranz commented that the CRVT (Covid Reopening) team has 37 staff, 2 parents and one student participating. He is glad to have the input. Also the home school academy graduated 3 “super seniors” this school year!
Ms. Patton shared that the district will make a decision on July 27 as to whether there will be a graduation ceremony or not depending upon what phase the county is in. Mr. Bentson welcomed Greg Hall as the new grade 3-5 principal. He is excited for him. He also said goodbye to Scott Lincoln, who has been with the district for 13 years. He will be missed. Kathy Bounds noted that only 3% of the students were incomplete at the high school. She offered kudos to staff, parents and students for getting school work done during this time. Mr. Jones thanked Mrs. Bounds for doing a wonderful job of teaching during this time.
