Audience and Board Communication
Say something positive:
Mr. Muffett commented that he is happy that it is Christmas time. He wished everyone a Merry Christmas and wished everyone a wonderful month, whatever holiday you celebrate. Mr. Lindberg seconded Mr. Muffet’s comments and also pointed out that the middle school report talked about keeping with traditions like the stuff the bus competition and spirit days. He thanked everyone for assisting in that when it is a challenge for all of us at this time. Mrs. Yaw is happy to see the middle school project continuing along. It is interesting to see and she is glad that the project timing worked out the way it did. She is also looking forward to Christmas this year. She hopes it is more reflective of our values instead of being commercialized. Mrs. Chord wanted to recognize Mr. Holmes for everything he does and how hard he works. She appreciates that he can delegate and give projects to others and keep all the pieces of the district together. She also wished happy holidays to everyone. Mr. Jones agreed with everyone’s comments about the holiday season. He commented that the giving tree, while not a school event, was filled with kids from our schools. He also commented that at the high school had another 5th year student graduate who was the first in his family to graduate! He
congratulated the high school team for this awesome accomplishment. Mr. Holmes thanked Matt Cooke and his coaches for providing opportunities for students to participate in sports and other activities. It is important for them to have some sense of normalcy. He also gave a shout out to the maintenance team for trimming and chipping the hedges between the football field and a neighbor. This was a big project yielding 6 dump truck loads of chips and it looks much better. He also wished happy holidays to everyone. Carol Patton pointed out that Gayle Gabbert was recognized as #1 in the district by making 329 Screencastify videos so far this year. Mr. Rosenkranz recognized the work that the district does with families. It is important work and people are looking for ways to maintain connections during this time. He wished Merry Christmas to everyone.

• Election of a vice chair (roll call vote)
  Muffett- Aye
  Lindberg – Aye
  Yaw – Aye
  Chord – Aye
  Jones – Aye

• Call for nominations for legislative representative- Mr. Jones nominated Mr. Muffett. Mr. Muffett declined the nomination with the explanation that the representatives in Olympia are not delivering on the education of our students. He said personal frustration regarding the negative impact of the current situation on our students would get in the way of his being able to do the job professionally and effectively. Mrs. Yaw said the board should honor Mr. Muffett not wanting to serve as legislative representative. Mr. Muffett then nominated Mr. Lindberg as he thought he would be good for the position. Mr. Lindberg said that the challenge is that it just takes too much time and when he held the position 2 years ago, he felt he was very poor at it. Mr. Holmes offered the board that he and Mr. Rosenkranz could keep the board apprised of
legislative news and would be able to communicate those to the board for the district. The board would be able to edit documents and send those communications to legislative representatives.

- Election of legislative representative - Legislative representative position is left open. The district will do their best to communicate legislative issues that affect the district to the board. The board all thanked Mr. Holmes for coming up with this solution.

6.3 Future Agenda Items

Mr. Lindberg would like student success rates. How does La Center compare to other districts? He also asked if the district would reach out to a few students for their feedback. Mr. Holmes will invite Ms. Patton and Mrs. Landerholm to discuss this at the January Workshop.

Mr. Jones would like to see a plan to bring in juniors and seniors in small groups so that they can work. He added especially seniors with failing grades so that they can work on getting grades up so they can still graduate. Mr. Patton said that she will be meeting with staff on Friday to discuss this very issue. There are lots of struggling students across the state and the district may be able to work with students on their credits so they still have a pathway to graduation.

Mr. Muffett would like to invite an attorney to the next meeting so that they can discuss what options the district has to get students in school. Mr. Holmes will invite the district’s attorney to the January workshop.

Mr. Rosenkranz would like to get information out regarding the state’s sex education law so that the correct information gets out to the public (such as no sex education for K-3 students, only SEL). This will be discussed at the January workshop.

Mr. Holmes discussed snow days would be a cancelled day at this point as not all staff members have the technology to be able to work from home and serve all students. Staff will be provided the technology as the budget allows, but for the time being if a snow day is called, it will be a closure day and will be made up as the calendar indicates.
