FALL SPORTS

Don't forget to register your 7th & 8th graders for sports for the 2021-2022 school year! Fall sports begin practicing before school starts. Get your student registered now so that you can make sure they have a valid physical prior to fall sports and so that you will receive important communications from coaches regarding practice start times!

Athletic registration is at the following website:

<https://lacenter-wa.finalforms.com/>

You will need to register as a parent first and then register your student and select the sports they would like to participate in next year. Final Forms will not take payments. Any athletic payments will need to be made online using the payments tab on the school website or in the Middle School office with a check or card.

Please contact Sara with any questions:

Please notify the school nurse if your student will be needing any medication at Cispus. We will need a medication authorization signed by the student's health care provider even for over the counter medications. We will also need your student health history form with any medical conditions your student may have.

GRADUATION PARADE

Everyone is invited to step out of their homes and line the streets in La Center on Friday, June 18th, to watch the Senior Twilight Parade. The Class of 2021 will be escorted through the streets by local police, fire and military vehicles. It is a special time for the class, our 100th graduating class, to celebrate with the community. Make signs, put out balloons, wave and cheer them on! They made it through this difficult year and June 18th at 6:30pm they will decorate their cars and drive through town honking their horns in celebration. A map of the parade route will be added to the high school webpage closer to the event.
