Audience and Board Communication
Say something positive:
Mrs. Chord said that the board interviews were exciting. Any of the candidates would have been great. It was nice to have great choices to choose from. She welcomed Craig Whited to the board. She also recognized that Julie Bentson had retired. She said that she was always very helpful and will be missed. Mr. Muffett commented that there is progress going on everywhere. The teachers are making progress with the kids. He also expressed his gratitude for Pete’s leadership. Mr. Jones also said that there were some great candidates for the school board position. He welcomed Craig to the board. He also said that the reports from the superintendent shows the importance of communications. It is uplifting to see optimism. He pointed out that one of the reports said that the superintendent shall not fail to have high quality curriculum approved by the school board. It is a positive thing to have local control over the curriculum that is taught to the students. Mr. Whited said that he is excited to be here to support the community. It is best with an active and engaged board such as this one. He also said that the community is represented well at the school athletic events, it shows that the parents are involved and are good sports that represent the community well. Mr. Lindberg was having technical
difficulties and was not able to give input at this time. Mr. Rosenkranz commented on the football photo in the athletics board report with both teams lined up holding flags along with veterans that had attended the game. Showing student support and honoring our veterans for their sacrifices is important. Mr. Hall commented on the end of day transportation changes. He said that it has made a big difference and it is a testament to the leadership in the district listening to problems and altering a situation to make it safer and more efficient. He thanked everyone that was involved and said it is going really well.

**Public Input on Non Agenda Items:**
Justine Stimmel thanked the board for writing the letter to WSSDA denouncing the NSBA letter to the president. 6.5 **Board letter to WSSDA regarding NSBA**

Mr. Jones commented that the letter needed to be written and he thanked Mr. Muffett for suggesting it. The board wanted to make it publicly known that no one on the board feels that parents are domestic terrorists. The board wants to hear from their constituents and welcomes comments from them. Mr. Rosenkranz acknowledged that Mr. Garchow from WSSDA had reached out to him regarding the letter. He is willing to come to a future board meeting to discuss the issue with the board. Mr. Rosenkranz also stated that WSSDA had already written a letter to NSBA denouncing the letter that they sent on behalf of all school boards. Mr. Rosenkranz will invite Mr. Garchow to the December 14 board meeting.

6.6 **Future Agenda Items**

Mr. Muffett stated that the board should get the agenda in advance so that the board has input on the proposed agenda. Mr. Whited commented that he would like a discussion about lengthening the time for public comments. Mr. Jones explained that board meetings are to conduct the business of the district and it is not a meeting of the public. The public is encouraged to email or call their representative in addition to signing up to speak at board meetings. Mrs. Chord explained that there have only been a couple of times where the comments have gone over the allotted 20 minutes and the board has allowed for commenting to extend over when there are a lot of people wishing to comment. The board has been flexible on this issue.
Mr. Jones would like a discussion at the December board meeting regarding the possibility of a vaccine mandate for school students. He would like to hear from the public regarding this issue.
